

# 195<sup>th</sup> Stated Meeting FAQs

## 1. What's different about this zoom meeting than previous zoom meetings?

Good news! You no longer need to sign-in to your zoom account on the day of the meeting. Zoom has improved its security features. We will use a waiting room, a passcode, and the meeting registration function to ensure meeting security.

## 2. Why do we have to register?

By registering, you receive a unique meeting ID to the email that you provided. Each registration is reviewed by the presbytery office. You will need this link and passcode to enter the meeting!!! If you do not register, you will not have access to the zoom meeting.

## 3. Where is my zoom link?

Your invitation is from "Rebecca Blair | East Iowa Presbytery [no-reply@zoom.us](mailto:no-reply@zoom.us)" with the subject line "195th Stated Meeting Confirmation." Meeting registration emails individually reviewed and are not automatic. They are usually sent within a day of registration.
