

ANNUAL STATISTICAL REPORT INFORMATION

It is now statistical season in the PCUSA. Below you will find all of the information you need concerning the completion of the 2018 Annual Statistical report and other important items.

- Go online to <http://oga.pcusa.org/section/churchwide-ministries/stats/statistical-reporting-faq/>
- Under the heading "Statistical Reporting and Frequently Asked Questions," you will find a link that is labeled "Go to the Online Statistics Entry System." Click on this link!
- You will be taken to the statistics entry page. Please enter your User ID (your church PIN preceded by a zero and ending with an exclamation point) and your password. Contact Rebecca ([319-930-7470](tel:319-930-7470)/rblair@peia.org) or Julia ([319-354-9220](tel:319-354-9220)/julia@peia.org) if you need your User ID or password.
- This year's form is much shorter than in past years. Also, there is no workbook this year. Instead, instructions for each entry are included with that entry. The form also automatically calculates as you enter data, so no advanced math is required!
- Click "Accept" when you finish each page—and you are done! It's that easy!

The deadline for completing the required annual statistical report is February 15, 2019. After that date, no further statistics may be entered into the system.
